

Larry Norton and the Hwange Conservation Society

FUND RAISING EXHIBITION

Larry Norton has been invited by the Hwange Conservation Society to undertake a fund raising visit to the U.K. in March 2009.

As a prelude to this fund raising effort, a number of wildlife paintings (not all African) are on offer. Ten percent of the proceeds of sales of original oil paintings will go to the Society, primarily for waterhole restoration.

Paintings are available as soon as an acceptable bid price is reached. Please direct enquiries and bids to sara@larrynorton.co.za

Larry Norton and Hwange Conservation Society
